August 24, 2020

Dear Colleagues,

In accordance with requirements of the U.S. Department of Transportation as set forth in 49 CFR Part 26, the Capital Region Airport Commission hereby notifies the public that its proposed goal for Disadvantaged Business Enterprise (DBE) participation in federally-assisted contracts at Richmond International Airport (RIC) for federal fiscal years 2021 -2023 is 7.92%. The goal represents the overall percentage of DBE participation anticipated in our FAA-funded contracts during that three-year period. The proposed DBE goal and its methodology is available at flyrichmond.com.

I hope you will join us for a stakeholder consultation meeting to share your views on the proposed DBE goal and to learn about the anticipated federally-assisted contracts at RIC. The video conference meeting will be held **Thursday, September 10, 2020 at 10:00 a.m.** Eastern time.

If you are able to participate in the video conference meeting, please send an email to tfearny@flyrichmond.com or realestate@flyrichmond.com by Friday, September 4, 2020 and the video conference information will be sent to you prior to the September 10th meeting.
